# IGNITE

## Workshop

DAD INC.

### /// A WORKSHOP FOR DADS

DAD INC offers a no-cost workshop designed to equip fathers/father figures of kids 0-24 years of age. Funded by the Office of Family Assistance (OFA) and led by a dynamic team of experts aimed at supporting dads and families. We see **dads equipped**—to reinforce the connection between their kids, relationships, and financial strength. A dad equipped is enriched to lead others; most importantly themselves.

### /// GET ANSWERS

Becoming a dad raises many questions about what to do. Specifically, military dads and their families face unique challenges during times of deployment and after completion of military service. Such challenges may include preparing children for their father's absence or return, maintaining strong family connections, and assimilating to civilian life. Our team is trained to help you approach your unique challenges. **To equip you with the skills** for thinking through the issues and cope with the challenges. No fatherhood manual may exist, but with our support you can be the difference.
