## IGNITE DADS WORKSHOPS

Becoming a dad raises many questions about what to do. Wanting to take care of family. Feeling pulled in many directions. Perhaps you wish there was a user manual to help you navigate through your thoughts and emotions. But life does not come with a user manual. So, when life is not working, it is normal to feel stuck.

DAD INC offers a no-cost workshop **designed to equip fathers/father figures of kids 0-24 years of age**. Funded by the Office of Family Assistance (OFA) and led by a dynamic team of experts aimed at supporting dads and families. We see dads equipped—to coach and reinforce the connections between their kids, relationships, and financial strength. A dad equipped is enriched to lead others; most importantly himself.
