- Landing a Career

As a dad, you have the power to positively impact those in your family. DAD INC's fatherhood workshop(s) provide valuable tools to strengthen your bonds and inspire your family and kids. Join to maximize your influence and create lasting memories.

### WORKSHOP SERIES

**Ignite Dads Workshop:** Open to all dads in the community, these workshops meet at The Learning Center at DAD INC. It covers the essentials of fatherhood today.

**Ignite Dads en Español:** Organizado con el Centro Comunitario de East Las Vegas para servir mejor a los participantes de la comunidad latina. Cubre los aspectos esenciales de la paternidad en hoy.

**Reclaim Workshop:** Designed for dads in recovery, these workshops are held with our partners at Freedom House and Shine A Light/CrossRoads, aiming to extend our impact and reach within the recovery community.

**Financial Success Workshop:** Dads have the power to inspire valuable financial lessons to their family demonstrating responsible spending, saving, and investing behaviors. This workshop lays the foundation for sound financial management.
