About DAD INC.

DAD INC. is a Las Vegas-based fatherhood organization committed to strengthening men, restoring families, and building generational impact across our community. We exist to equip fathers with the tools, mindset, and network they need to lead at home and in life.

This is more than a workshop.

This is a movement of men choosing to show up.

PARTICIPANTS GAIN:

- Proven parenting strategies
- Tools to strengthen relationships and communication
- Employment and financial literacy
- Personal leadership development
- Ongoing connection to a fatherhood support network

We don't just talk about fatherhood.

We train for it.

Whether you are rebuilding, learning, or leveling up — this space is built for you. Act today!

FATHERHOOD ISN'T ACCIDENTAL.

It's intentional.

It's built under pressure.

It's forged.
